Ben Read

DipNEBOSH, EnvDipNEBOSH, GradIOSH, MIIRSM, PIEMA

Safety and Health Practitioner

IOSH Membership no: 159468 IIRSM Membership no: 304856

Ben is a highly experienced and proactive Health & Safety professional, and comes with extensive knowledge in Occupational Health and Safety and Environmental Management.

During his time in the industry, he's provided expert advice to small and large businesses across a range of sectors - like transport, retail, hospitality, education and care, to name just a few.

Ben's accredited from almost every angle. He holds two diplomas - one in Occupational Health & Safety and another in Environmental Management, and he's a member of the Institute of Occupational Safety and Health (IOSH), International Institute of Risk and Safety Management (IIRSM) and Institute of Environmental Management and Assessment (IEMA).

He's also a registered trainer with IOSH, and delivers a variety of first-class training courses across their portfolio.

Areas of expertise:

- Health & Safety legislation
- Risk assessments
- Audits and site inspections
- Construction (Design & Management) Regulations
- Accident investigation and reporting
- Fire safety
- Manual handling
- LOLER, RIDDOR, PPE and PUWER
- Noise at work
- Legionella
- Human behaviour in safety
- People management
- Training, assessing & coaching.
